Education

Bachelor of Computer Application (BCA) : Computer Application, 06/2009

Swami Ramanand Thirth university - Nanded, India.

Skills

- **Mobile Technologies:** React Native, JavaScript, JSON, TypeScript.
- **IDE & Tools:** Visual Studio Code, Postman
- **Methodologies:** Agile
- **State Management:** Redux, Redux Toolkit, Context API
- **Version Control:** GIT, GitHub
- **API Integration:** Axios, RESTful APIs

Work History

Infeon IT Services PVT LTD – Pune, India

Software Developer, 11/2023 to 04/2025

InfeonTech PVT LTD – Pune, India

Software Developer, 10/2022 to 10/2023

Project: E-Commerce

Description: Developed a feature-rich E-Commerce mobile application similar to Ajio, offering a seamless shopping experience with secure transactions, personalized recommendations, and real-time order tracking.

Project: Happido

Description: Hapido is a digital marketplace aiming to facilitate the sale of deals and vouchers. It serves as a bridge between merchants and end users, where merchants can create deals and users can purchase vouchers. Hapido is built using React Native with MUI on the front end with Redux for state management. The application follows a component-based architecture, promoting reusability and maintainability.

Project: Alert System

Description: Developed an Alert System Application that enables users to send broadcast messages via push notifications, WhatsApp, SMS, and email. The system

ensures reliable message delivery through real-time notifications and offline storage support.

Project: Exact-space (Palse)

Description: This application is built for power plant management. If any critical incident happens in Power Plants, then notification will be sent to the application users. Through this app you can create, manage, and assign tasks to a particular user.

Past Experience: over 11 years of experience in banking and finance, specifically in the Mortgage loan sector for institutions like HDFC Bank, Axis Bank Ltd, DCB Bank Ltd, and IIFL Housing Finance. As a Area Sales Manager position.
